Outbound SMS

No response

Wrong Number

Not interested (Mean)

"Fuck off"

Not Interested (Nice)

"Not interested thank you"

Totally understand, is there a time in the future that would be better for me to reach out?

Give you a price

"5 million"

If its way too high

How did you get that number?

or

That's higher than we'd be looking to pay, but if you are serious about selling we'd like to make you.a competitive offer

If its within range

Whats your offer?

"How much?"

Yes

"Yes"

Immediately call them

If they don't answer, leave a voicemail

Follow the Seller Texting Guide

IMPORTANT NOTES:

If you ever get a green response, you need to double text them every day

Every nice message should get a response

Use Quick Responses to speed up communication

Don't be afraid to close a deal entirely over text
