Hello this is Tyson, I work with a small group of developers in Scottsdale and we are looking for our next project.
Your property on <Street> came up as a potential fit. We are flexible with our closing timelines and can even allow you to stay in the property fora bit after the sale.
Worth a chat?
Hello, Sarah here. My company is looking for its next project in Scottsdale, and your property at <address> came up as a potential fit.
Our process is simple, we pay market value and we cover all closing costs + there are no realtor fees.
Interested in learning more?
Hi, my name is Ashley and im reaching out about your place on <address>. I work with a small gorup of developers in Scottsdale/PV and your place came up as a fit.
Interested in an as is sale? No inspections, disclosures, or repairs necessary.
Let me know.
Hello this is Tyson, I work with a small group of developers in Scottsdale and we are looking for our next project.
Your property on <address> came up as a potential fit. Not here to waste your time, we'd be somewhere between $1.5-$2M.
Interested in learning more?
Hello this is Isabella. I am reaching out in regards to your property on <address>.
Not here to waste your time, so I will cut to the chase. We would be around $1.5M-$1.9M NET to you, depending on specific lot size and orientation.
Any interest in chatting?
Hello this is Mary. We are looking to find our next project and your property on <street> came up as a fit.
We are paying market value ($1.5M-$2M) depending on specific lot size. We are local and family owned so terms are flexible,
any interest?
Hey its Tyson did you get my offer?
Hey any thoughts on what I sent you?
Hey did you have a chance to look that over? No rush
